

# PAGA 工业扩音对讲系统

作为专业的工业扩音对讲系统（PAGA系统）集成商，可根据不同客户的不同需求提供量身定制的PAGA系统解决方案，包括IP式、数字式、无主机式等。我们可为客户提供系统设计、组装、测试、现场调试、培训、及售后服务的全套服务。

## 系统特点

- 为用户量身定做解决方案。
- 可提供用户不同要求提供不同的解决方案，包括有主机式、无主机式、IP式等
- 满足各种恶劣工业现场使用环境需要，如防尘、防水、防腐、防爆、抗噪音、抗高温|低温、抗振动等

## 系统功能

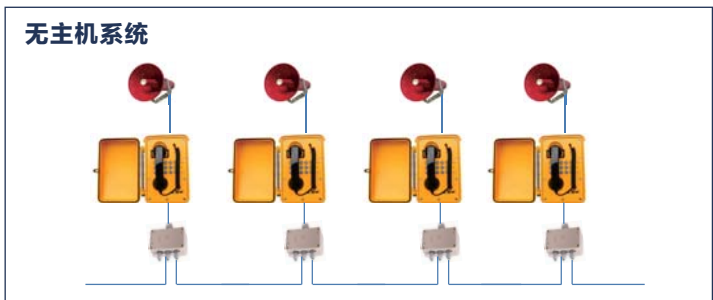

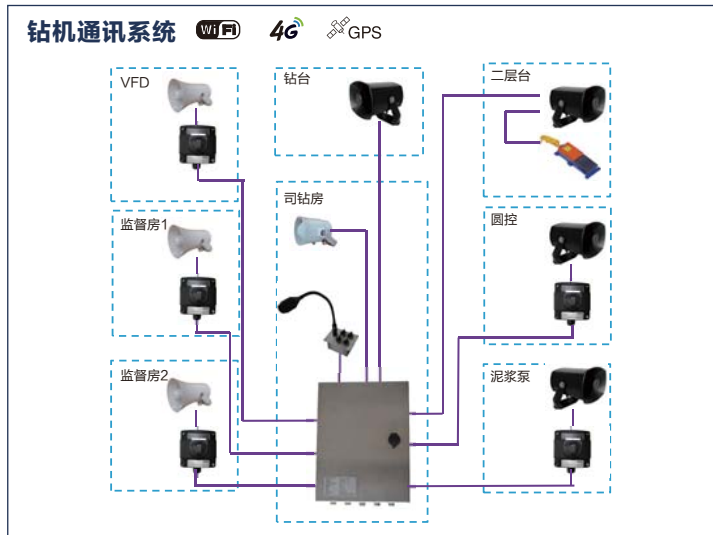

- 点对点通讯
- 分组呼叫和集中呼叫
- 会议通讯
- 电话通讯
- 分区广播
- 警告和报警
- 数字录音功能
- 系统接口包括：消防系统、气体检测系统、电话系统、无线系统、控制系统
- 系统自诊断和自检测

## 系统集成资源

- 德国FHF
- 香港昆仑
- 挪威DNH
- 英国VODEC
- 德国NEUMANN
- 加拿大CANPHON
- 加拿大GUARDIAN

## 应用领域

- 石油平台
- 石油井场
- 油气管道
- 石油炼化厂
- 化工厂
- 港口码头
- 发电厂
- 钢铁厂

# Public Address and General Alarm System

A professional system integrator for industrial communication system (Public Address & General Alarm system) . We can provide designing, assembling, test, commissioning, and training of the PAGA system. Our solution includes Page/Party system, digital system, and IP based system.

## Features

- Tailor's solution for customer
- Different solution such like Page/Party system, digital system, IP system. etc..
- Application in industrial environment like dust, humid, corruption, explosion, high/low temperature, and explosive area.

## Functions

- Point to point communication
- Group call and general call
- Conference communication
- Telephone communication
- Zone and public address
- Warning and alarm
- Recording
- Interface to F/G, PABX, radio, and control system
- System self-monitoring and self-diagnostics

## Manufacturer Partner

- FHF, Germany
- Koon, Hong Kong
- DNH, Norway
- VODEC, United Kingdom
- Neumann, Germany
- Canphon, Canada

## Application

- Offshore platform
- Well site
- Pipeline
- Refining
- Chemical plant
- Harbor
- Power generation plant
- Iron and steel plant
